

Attestation for owner/managers and/or senior employees (comptroller/VP Finance/CFO) of an eligible employer applying for the Canada Emergency Wage Subsidy

I, Scott Robertson, Principal/CAO at Cornerstone Christian School Inc.
(insert name) (position, office or rank) ("The employer")

certify and attest that:

Part I – General

- All information included in the application is to the best of my knowledge true and complete and is not false or misleading in all material respects.
- I am the individual who has principal responsibility for the financial activities of the employer.
- The employer is an eligible employer for the Canada Emergency Wage Subsidy (CEWS) as determined under the CEWS program rules in section 125.7 of the Income Tax Act (the "CEWS program rules").
- The employer's qualifying revenue from activities carried on in Canada has declined by the specified amount (for claim periods between March 15 and July 4, 2020) or the reported amount (for claim periods between July 5 and November 21, 2020), subject to the revenue decline deeming rules, as compared to their qualifying revenue before the COVID-19 crisis, as determined under the CEWS program rules.
- The amount of the CEWS claim is based on remuneration of employees that were on the employer's payroll during the period being claimed, to the extent required under the CEWS program rules.
- The amount of the CEWS claim was calculated based on eligible remuneration paid and does not include amounts specifically excluded under the CEWS program rules (for example, stock options, severance payments, etc.).
- The amount of the CEWS claim has been reduced by any amount that the employer is claiming under the 10% Temporary Wage Subsidy as described in section 153 of the Income Tax Act.
- The employer has and will maintain records for CRA review that demonstrate the revenue reduction, eligible remuneration paid to employees and any other information required to verify the amount of the CEWS claim. The employer will maintain records for the amount of wages paid to employees from the subsidy, and report these amounts on its employees' T4 slips and its T4 summary. These records will be made available to the CRA upon request.
- The employer will repay amounts paid under the CEWS if it is later determined that the eligibility requirements were not met or the amounts were overstated.
- I acknowledge that the CEWS program rules authorize the CRA to publish the names of CEWS applicants.
